OBJECTIVE

An entry-level position as a Web designer to contribute and further develop my design skills in an ambitious and diverse atmosphere.

SKILLS

PROFICIENT IN:

(X)HTML, CSS, Adobe Photoshop CS, Adobe ImageReady CS, Adobe Illustrator CS, Macromedia Dreamweaver, QuarkXPress, Microsoft Office

WORKING KNOWLEDGE OF:

JavaScript, W3C Web standards, Section 508 Accessibility

- Strong hand-coding and multi-tasking skills.
- Self-trained in CSS-based layouts.
- Comfortable in both PC and Mac environments.
- Highly-organized and detail-oriented.
- Adept at quickly learning, understanding, and utilizing new software applications.

RELEVANT EXPERIENCE

Fall 2006 to Winter 2006

Lead Web Developer, Web Designer

The Mostly Bad Virus (band)

- Designed, implemented, and maintained the template layout to harmonize the code between members of the development team.
- Created the band' s online logo and optimized photographs for the image gallery.
- Played a key role in managing cohesive relationships between members and their duties.

Summer 2006 to Fall 2006

Lead Web Developer, Web Designer

Hayfield Secondary School Asian Student Association Alumni

- Designed and implemented the overall layout with emphasis on content communication.
- Provided a quick turnaround without compromising the design quality.
